All co-ed divisions will use a women size basketball (28.5") and 10 ft hoop.
- 2) **GAMES:** Games will be played on a half court.
 - a. There are no time-outs. Games are nine (9) minutes long.
 - b. Clear 3-point line on **every change of possession** (one "foot" over).
 - If you don't clear the 3-point line and shoot; ball out of bounds to other team.
 - c. Possession alternates after each basket (Loser's outs).
 - d. All dead balls and possession changes after a made basket will be taken out of bounds at the top. **Ball must be taken out above the "in-bounds" line or it is considered an "invalid inbounding of the ball" and results in a turnover; ball to defensive team.**
 - e. Men may not start their shot any closer than **15 feet from the basket**. If a shot is attempted and made within the 15-foot area, the basket will not count and the ball will automatically be awarded to the opposing team.

- 3) The winner of a coin flip will have possession of the ball first.
Substitutions may be made at any dead ball **and** after any made basket.
Players must enter and exit the game from underneath the basket on their team side.
