

July 17, 2019

Dear Coaches and Team Representatives,

Thank you for your entry into the Nikkei Games 3-on-3 and 4-on-4 Co-ed Basketball Tournament on Saturday and Sunday, August 10-11, 2019 at the beautiful Pyramid on the campus of CSULB. The Pyramid is located one signal west of Palo Verde Ave on Atherton St. and Merriam Way in Long Beach. You can exit the 405 Fwy at Palo Verde Ave and head south. Enclosed are the block game times by division and the 3-on-3 and 4-on-4 tournament rules, whichever applies to your team. You can go to [www.nikkeigames.org](http://www.nikkeigames.org) for more information on all the Games.

Please be aware of the mandatory meeting for the coach or a team representative on Friday, August 9 at 7:00 p.m. in the big gym at Garden Grove high school, 11271 Stanford Ave., Garden Grove, 92840. It is north of the 22 Fwy and Euclid St. There is limited parking in front of the gym. Big parking lot is on the east end of the campus off of 7th St. Please see attached site map. Please do not park across the street in the city hall parking lot. They ticket and tow from there.

At this meeting, you will check-in your team and pick up your team bag, which will include Nikkei Games t-shirts and programs as well as one Pyramid wristband for the coach (one coach per team) and detailed divisional game schedules and team rosters. It is important to note these wristbands will be handed out only at this meeting and without them coaches will not be allowed on the Pyramid floor. Players may enter the Pyramid floor by wearing their uniforms. Rules are enclosed, so please go over them and we will answer any questions at the meeting. There are no significant rule changes this year. Note, we will be using the college 3 pt. line now (20.75 ft.). And as usual we are requesting all 8 years old and older teams to be able to go light and dark with their jerseys, even if you have "home-made friendship" jerseys, still need to have an opposite color in your bag to avoid jersey conflicts. Also, as a reminder any player or coach receiving two technical fouls in a game is suspended for a minimum one game and may be suspended for the remainder of the tournament. Please remember these are the Nikkei Games where good sportsmanship is paramount.

Also, please note only players, coaches and volunteers are allowed on the Pyramid floor. All spectators are asked to remain in the stands or on the second level perimeter area around the courts. Thank you for your cooperation and helping us get the word out to your players and families.

As a reminder, this year the Nikkei Games Opening Ceremonies will be part of the Budo (Martial Arts) Tournament at the Pyramid on Sunday, August 4. It is scheduled to start at 9:30am. You are encouraged to attend to walk in their "Parade of Athletes." For basketball, we will "just" have two days and 24 hours of games.

For 1st through 8th grade (Fall 2019) teams, there will be medal award ceremonies for completed divisions where the players names are announced and they are asked to step up on a 3-tier stand similar to the Olympics Games to receive their medals. Note, all 8 year old / 3rd grade (Fall 2018)

and younger players receive medals. Players 4th grade and older earn medals for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place. To lessen the congestion at the awards ceremonies, we have them almost continuously throughout the day. There is no specific awards schedule anymore. We ask you to have your team at the medal awards ceremonies area about 15 min. after your last game. Our goal is to have your awards ceremony within 20-25 min. after your last game. These medal ceremonies will be held on the second level above the Pyramid floor directly behind the stadium seats. Bring your cameras and please be considerate of people taking pictures! For 9th grade (Fall 2019) and older teams, we have t-shirts for “medal” winners on the Pyramid floor; black for gold; grey for silver and bronze.

Please note the commissioners for each division are listed on the attached block game schedules. They will be wearing royal blue colored Nikkei Games t-shirts at the Pyramid for easy identification. If you have any questions regarding your team or the tournament, please feel free to contact them.

Like last year, there is no entrance fee for the Pyramid, however parking permits will need to be purchased again and displayed on the dash of each car. There are multiple yellow parking permit dispensing machines in Lot 11 (directly in front of the Gold entrance of the Pyramid). The cost of an all-day parking permit is \$10.00 this year. The machines take cash and credit cards and you will need to enter your license plate number. Please allow extra time just in case the queue lines for the machines are long at the peak periods, which is about an hour before each session of games. For the 8:24am session on Saturday and Sunday there will be campus personnel selling tickets when you enter the parking lot. There should be spots in the parking structure for the Nikkei Games. Please make sure all your players and parents know they have to pay for parking. Note, you have to park your car in head-first. Otherwise, we will be ticketed. Concession stands will be open in the Pyramid for your convenience.

We do have a housekeeping request for all your players and families. Would you please ask your families to help keep the Pyramid and bleachers clean by disposing of their own trash. That would be very helpful as we are responsible for keeping the Pyramid clean. Thank you for your help!

This year we have 126 divisions, 504 teams, and nearly 2,000 participants, making this the second largest Nikkei Games basketball tournament ever. And we could not have achieved this without your continued support! The best part is over 75% of the players will receive medals / awards.

Remember our motto: "The Nikkei Games: Games for the Generations". We hope you will join us in sharing this vision and making the Nikkei Games something our grandchildren will be able to enjoy. Let's continue the legacy of our forefathers and enjoy some healthy competition and build some life-long friendships.

Lastly, and perhaps most importantly, when you get a chance please take a moment to thank the over 500 volunteers (including the referees and medical staff) and dozens of sponsors whose energy, effort and gifts make this tournament possible. Please join us in embracing and sharing the Spirit of the Nikkei Games, the largest Nikkei Sports Festival in the country!

Thank you for your participation and support and welcome to the 2019 Nikkei Games!

Sincerely,

Wallace Chan  
2019 Nikkei Games
